Dear Mr. Smoyer:

This is in reply to your letter concerning the ship on which you served, USS LYMAN K. SWENSON

Thank you for your comments. You are correct. Lieutenant Junior Grade David Swenson was not related to Caption Lyman K. Swenson. We have made the correction that you suggested. Your interest in naval history and the Naval Historical Center's Website is appreciated and we thank you for informing us of the information that needed correction.

Sincerely,

A handwritten signature in cursive script, reading "Kathleen M. Lloyd", is written above the typed name.
