

Invalid Contact Information

These are names of shipmates whom the association does not have valid contact information for. Information may never have been provided, the shipmate may have moved and failed to provide the association with new contact information, or the shipmate may be deceased and the association never notified. The names have been moved to this list only after all attempts to locate the shipmate have failed. If and when new information is received the record will be updated accordingly.

| #  | Type | Last Name    | First Name    | Nickname | Spouse or Companion | Contact Information          | Rank    | Years served on Swenson |
|----|------|--------------|---------------|----------|---------------------|------------------------------|---------|-------------------------|
